THE STATE OF INDIANA,

GOVERNOR'S OFFICE.

Received December 30, 1880, examined and returned to the Secretary of State to be filed and preserved in his office and published as ordered by the Commissioners of Public Printing and Binding.

SAMUEL R. DOWNEY,

Secretary.

Filed in my office January 3, 1881.

J. G. SHANKLIN,

Secretary of State.

JUL 15 1944

561237

To His Excellency, ISAAC P. GRAY,

Governor of Indiana:

SIR—The law requires the Secretary of State to present a report of the business of his office, annually, to the Governor.

The official year ends October 31, and, of course, the record can not be fully made up until after that day. A careful compilation requires time so that it is always several weeks after the close of the official year before the report can be placed in the hands of the Governor. During the preparation of this Report the death of Governor Williams occurred, and I now present it to you as his successor. Trusting that it may be satisfactory to Your Excellency, to the Legislature about to convene, and to the people of Indiana, I have the honor to be,

Very respectfully,

J. G. SHANKLIN,

Secretary of State.

REPORT.

EPITOME OF ROUTINE WORK.

The tables elsewhere in this report will show, in detail, a variety of business that may be classed generally as miscellaneous. As a matter of convenience, however, for those into whose hands copies of this report may come after it is printed, and who may not care to wade through the long, and it must be admitted, dull monotony of the tables, I have prepared the following summary:

During the official year that ended October 31, 1880, there have been issued from the executive department commissions to state, judicial and county officers five hundred and eighteen; to justices of the peace, one thousand four hundred and ninety-three; to notaries public, eight hundred and forty, and twenty-four to commissioners of deeds.

There have also been issued two proclamations, eighty-one pardons, forty remissions, three commutations, four respites, seventeen swamp land patents, twelve university patents, sixty requisitions, and forty-four warrants.

All of the above acts of the executive and commissioners have been duly attested and registered in this office.

CORPORATIONS.

Of the articles of incorporation filed in this office, thirty-six are of railroads, one hundred and twelve of manufacturing and

mining. Some of these are amendments to papers previously filed, and some are consolidations of two or more companies.

PUBLIC PRINTING.

At the special session of the General Assembly of 1875, an act to provide for the Public Printing and Binding, approved March 13, was passed, organizing a Bureau of Public Printing and Stationery, making the Governor, Auditor of State, and Secretary of State, *ex-officio*, Commissioners of the Public Printing and Binding, and defining their duties in regard to the same.

On the fifth day of May the Commissioners appointed the clerk of the board, and, in accordance with the law, advertised for sealed proposals for doing the work for two years from the first day of July, 1875. This contract was awarded to the Indianapolis Sentinel Company, and expired on the thirtieth day of June, 1877. The Indianapolis Journal Company was awarded the contract for two years from the first day of July, 1877, for the first and third parts, and William B. Burford for the second part. These contracts expired on the thiertieth day of June, 1879. John Carlon was awarded the contract for two years from the first day of July, 1879, which will expire on the thirtieth day of June, 1881.

There has been paid, on requisitions issued through the Board of Commissioners of Printing and Stationery, from the first day of July, 1875, to the thirty-first day of December, 1880, five years and six months, for printing, binding and stationery, the sum of $98,958.49, as follows:

From July 1, 1875, to June 30, 1877, two years . . .	$44,091 03
From July 1, 1877, to June 30, 1879, two years . . .	34,662 19
From July 1, 1879, to December 31, 1880, one year and six months	20,205 27
Total cost for five years and six months	$98,958 49

It will be seen from the above statement that the cost per year, for five years and six months, has been at the average rate of $17,-992.44.

For the eleven years previous to the establishment of the Bureau, there was expended for this branch of the public service $590,629.75, as follows:

For the fiscal year of 1865	$54,148 84
For the fiscal year of 1866	80,062 00
For the fiscal year of 1867	75,624 86
For the fiscal year of 1868	36,904 83
For the fiscal year of 1869	61,367 65
For the fiscal year of 1870	44,881 07
For the fiscal year of 1871	84,816 89
For the fiscal year of 1872	35,586 61
For the fiscal year of 1873	51,328 39
For the fiscal year of 1874	25,238 20
For the fiscal year of 1875	40,670 41
Total cost for eleven years	$590,629 75

Average cost per year for eleven years, $53,420.88. This shows there has been a saving in the cost to the State of $35,428.44 per year, under the present system of contracting the work.

[SEAL.]

By the Governor:

JAMES D. WILLIAMS.

J. G. SHANKLIN, *Secretary of State.*

A PROCLAMATION OF THANKSGIVING.

To the People of Indiana:

The President has, by proclamation, appointed Thursday, November 27, as a day of national thanksgiving and prayer, and has earnestly recommended that the people of the United States meet together on that day in their respective places of worship, there to give thanks and praise to Almighty God for his mercies, and devoutly beseech their continuance. A year of great harvests and of general good health has made us again a prosperous community, and has largely increased our material wealth and lessened the burdens of many, if not all, of our citizens. Justice has been established and freely administered; public order has been maintained within our borders, and liberty is yet perpetuated among us. As a people, we are grateful to Almighty God for the free exercise of the right to choose our own form of government. All men are secure in their natural right to worship Him according to the dictates of their own consciences, while no man is compelled to attend, erect or support any place of worship, or to maintain any ministry, against his consent. Enjoying the countless mercies bestowed upon us by our Heavenly Father, shall we not with one accord render unto Him the voluntary homage of our grateful hearts upon a day hallowed by religious custom and recognized by our laws? I earnestly recommend a general observance of the day appointed.

WITNESS, the Seal of the State and my signature, at Indianapolis, this fifth day of November, in the year of our Lord one thousand eight hundred and seventy-nine.

[SEAL.]

By the Governor,

JAMES D. WILLIAMS.

J. G. SHANKLIN, *Secretary of State.*

THE CONSTITUTIONAL AMENDMENTS.

The only special work performed by this office during the year was that imposed by an act of the General Assembly, approved March 10, 1879, with the following title:

"An Act providing for the submission to the electors of the State "of Indiana for ratification the Constitutional Amendments pro-"posed to and adopted by the General Assemblies of said State at "the sessions of 1877 and 1879, prescribing certain duties of offi-"cers of election and others, providing penalties for violations "thereof, and other provisions relating to the subject matter."

The ballots, tally-sheets and certificates were prepared and distributed in accordance with this act, as the receipts of the sheriffs of the various counties in the State now on file in this office will show; and the election was duly held, in strict accordance with the terms of the law, as may be seen by the certified returns of the clerks of the various counties in the State, which are also on file in this office. The following was the result:

PROPOSED AMENDMENTS TO THE CONSTITUTION OF THE STATE OF INDIANA.

No. 1.

Amend section 2 of article 2 so as to read as follows: Section 2. In all elections, not otherwise provided for by this Constitution, every male citizen of the United States of the age of twenty-one years and upwards, who shall have resided in the State during the six months, and in the township sixty days, and in the ward or precinct thirty days immediately preceding such election, and every male of foreign birth of the age of twenty-one years and upwards, who shall have resided in the United States one year, and shall have resided in this State during the six months, and in the township sixty days, and in the ward or precinct thirty days immediately preceding such election, and shall have declared his intention to become a citizen of the United States, conformably to the laws of the United States on the subject of naturalization, shall be entitled to vote in the township or precinct where he may reside, if he shall have been duly registered according to law.

Yes received . . . . . 169,479 votes.
No received . . . . . 152,363 votes.

No. 2.

By striking out the words "no negro or mulatto shall have the right of suffrage," contained in section 5 of the second article of the Constitution.

THE APPENDIX.

A variety of historical and statistical matter will be found in the appendix to this Report. The "Forms of Executive Practice," which appeared in my Report for the year 1879, having been found a convenience by those who have had business with any of the State officers, are reproduced.

CONCLUSION.

In concluding this my final report, I may be allowed for a moment to allude to those who have been associated with me as assistants since entering upon the duties of this office. Mr. Wm. A. Peelle, Jr., has been so long connected with this department that he is well known throughout the State. During the two terms of my predecessor, Mr. Peelle acted as Assistant Secretary of State, so that with the completion of my term, he will have served six years. I wish to add my testimony to that which was given concerning him by my predecessor in his final report. His position has been a laborious one, but he has always been equal to the task before him. In the details of the office—its varied and often difficult duties—he is thoroughly informed, and ready to afford any information to interested inquirers.

I have trusted him absolutely and he has been worthy of that trust. In his personal relations as in his business capacity, Mr. Peelle is intelligent, capable, amiable, and, in every way, reliable.

Mr. Charles P. Hutchinson, Clerk of Printing Bureau, a position which he holds by appointment of the Board of Printing Commissioners, and which he has held since the law creating the Board was enacted, has been a faithful public servant. Being thoroughly familiar with the business of stationery and printing, his services have been invaluable to the State. He has never neglected his duties because the remuneration was small, but on a paltry salary has guarded the interests of the taxpayer as faithfully as though they were his own.

Miss Mary H. Peacock has filled the position of clerk in this office during the last two years, and these personal allusions would be incomplete did I fail to express my appreciation of her efficient services.

This concludes my report for the year ending October 31, 1880.

J. G. SHANKLIN.

APPENDIX.

REGULATIONS AND FORMS

OF

EXECUTIVE PRACTICE.

To secure accuracy in the transaction of the public business and uniformity in the records of the Executive Department, regulations and forms have, from time to time, been adopted, and are published in this permanent form for convenient reference.

NOTARIES PUBLIC.

The statute authorizing the appointment of notaries public requires that persons shall be appointed to the office upon a certificate of qualification and moral character from the Judge of the Circuit Court of their counties, respectively (1 G. & H., p. 445). When a notary public removes from the county in which he resided at the time he was appointed, he thereby vacates his office. (Opinions of Attorney General, 1873, p. 14.) A new certificate is necessary as the basis of an appointment in another county.

[FORM 1.]

THE STATE OF INDIANA,

——————— County.

To HIS EXCELLENCY,
The Governor of Indiana:

SIR:—I respectfully request that I be appointed and commissioned a Notary Public, resident and qualified in this county, with

the jurisdiction and powers conferred by the Acts of June 9, 1852, and February 12, 1855. In support of my application, I submit herewith a certificate of my qualifications and moral character from the Judge of the Circuit Court of the county, as required by the statute.

———————————.

Dated at ————————,

————————, 18—.

———

To His Excellency,

The Governor of Indiana:

Sir:—I hereby certify that ——————, of ——————— county, is a person of good moral character and qualified to exercise the powers and discharge the duties of a notary public.

———————————,

Judge of the ———— Circuit Court.

Dated at ————————,

————————, 18—.

Commissions in renewal of an appointment are issued at the expiration of a term without a new certificate, where a sufficient certificate remains on file as a part of the record of the former appointment and the applicant continues a resident of the same county.

COMMISSIONERS OF DEEDS.

A person asking an appointment as a Commissioner of Deeds of this State, resident in any other State or Territory, or in any foreign country, must furnish to the Governor satisfactory proof of his character and qualifications. The recommendation of the Governor of the State or Territory in which he resides is desirable as being the best evidence. Commissions in renewal of an appointment are issued upon application and the presumed good character and qualifications of the appointee of a former administration.

JUSTICES OF THE PEACE.

Vacancies in the office of Justice of the Peace are filled by appointment of the Board of Commissioners of the county in which they may occur. The appointment may be properly certified as follows:

[FORM 2.]

THE STATE OF INDIANA.

——————————— County.

Be it Remembered, That at a —— meeting of the Board of Commissioners of ——— county, held at ———, on the — day of ——, A. D. 18—, present Messrs. ——, —— and ——, Commissioners, the following proceedings were had:

[Copy the order verbatim.]

I, ——, Auditor of —— county, hereby certify that the foregoing is a full, true and complete copy of the order of appointment of —— as a Justice of the Peace to fill a vacancy under authority of the act of March 10, 1875, as the same appears upon the record of proceedings in my custody.

Witness, the seal of the Board of Commissioners of the county, and my signature, at ———, this — day of ——, 18—.

———————————,
Auditor.

REQUISITIONS FOR FUGITIVES.

In order that due care may be exercised in granting requisitions on the Governors of other States for the apprehension of fugitives from the justice of this State, the following regulations have been adopted:

The application should be in writing, addressed to the Governor, and should contain a statement, in plain and concise language, of the facts in the case, and of the reasons why, in the opinion of the applicant, a requisition should be issued. It should nominate a proper person to be appointed as the agent to receive the fugitive when apprehended, giving his residence and his official character, if he have any. It should be accompanied by a duly certified copy

of the indictment, if one has been found against the offender. If no indictment has been found, there should be furnished a certified copy of a sufficient affidavit made and pending before a magistrate in the county where the alleged offense was committed. It should appear from a certificate of the Clerk of the Circuit Court that the magistrate is an acting Justice of the Peace, in and for the county. The application should be accompanied, also, by an affidavit that the person charged is a fugitive from justice; that is, that he has fled from the State to avoid arrest; and should show, particularly as may be, the time and circumstances of his flight, and in what State or Territory he is; that he fled from the State before an arrest could be made; and that the ends of justice require that he be brought back to this State for trial. The opinion of the Prosecuting Attorney of the Circuit as to the propriety of granting the requisition should also be furnished.

Requisitions will be granted only upon the express condition inserted therein, that the State will pay no part of the expenses incurred in the pursuit and arrest of the fugitive.

The purpose in granting requisitions is to aid in the administration of the criminal law. No requisition will be issued to aid in collecting a debt, or enforcing a civil remedy against a person who has left the State. In all cases of false pretenses, embezzlement and similar crimes, affirmative evidence, in the form of affidavits, will be required that the real object is not the collection of a private debt.

As notaries public are not magistrates within the meaning of the Federal law, no requisition will be granted upon an affidavit made before a notary public. The law of Congress clearly contemplates an affidavit made in the county where the crime is alleged to have been committed, and before a magistrate having authority to hear the charge when the fugitive shall have been returned by such process to make answer thereto.

If the offense is not of recent occurrence, sufficient reason must be given why the application has been delayed. In no case will a requisition for an offender be granted at the same time upon the Governor of more than one State. Duplicates of all papers necessary upon the application must be furnished, that one set may be retained in this department and the other attached to the requisition; though but one set need be certified.

[Form 3.]

To His Excellency,

The Governor of Indiana:

I respectfully ask that you issue a requisition to the Governor of the State of ——— for the apprehension and rendition of ———, who stands charged by an ——— pending in the ——— Court with the crime of ———, committed in —— county, but who has, since the commission of said offense, and before an arrest could be made upon process issued by said court, and with a view of avoiding the same, fled from the justice of the State of Indiana, and into the said State of ———, where I believe he now may be found.

The ends of justice, in my opinion, require that he be brought back to this State for trial. I herewith present a duly certified copy of the original ——— now on file in the office of ——— in said county. In my opinion, the facts stated in said ——— are true, and I believe that the prosecution of the said ——— would result in his conviction of the crime charged. I nominate ———, of ———, as a proper person to be appointed and commissioned by you as the agent of the State of Indiana to receive the said fugitive, when he shall be apprehended, and bring him to this State and deliver him into the custody of the sheriff of said county. The requisition asked for said fugitive is not sought for the purpose of collecting a debt, or enforcing a civil remedy, or to answer any other private end whatever.

———————

Dated at ———, ——— 18—.

The State of Indiana, ——— County.

I, ———, being duly sworn, on my oath say that the facts stated in the foregoing application are true.

———————

Subscribed and sworn to before me, this — day of ——, 18—.

———————

To the Governor:

In my opinion it would be proper for Your Excellency to issue the requisition asked.

———————

Prosecuting Attorney.

PARDONS.

In order that due care may be observed in the exercise of the pardoning power, the following rules have been adopted, viz:

1st. Petitions for pardons should set forth all the facts of the case, and state the grounds upon which the pardon is asked; and should be accompanied by recommendations of officers and citizens of the county in which the conviction took place; and if the offense was committed in a county different from that in which the trial occurred, there should also be recommendations from officers and and citizens of the county in which the offense was committed.

2d. A statement of the substance of the evidence certified by the Judge who presided at the trial, or the Prosecuting Attorney who conducted the prosecution, must also be furnished.

3d. If a statement of the substance of the evidence can not be obtained from the Judge or Prosecutor, the reason why it can not be obtained should be stated, and then a statement of any other officer or credible person (verified by affidavit), who heard the evidence, may be substituted.

4th. If the applicant is confined in a county jail, the opinion of the Board of Commissioners of the county as to the propriety or impropriety of granting the pardon should be furnished.

5th. If judgment was pronounced on a plea of guilty, and no evidence heard on the trial of the case, a copy of the indictment or information must be furnished, so that the precise nature of the offense may be understood.

REMISSIONS.

In order that applications for the remissiom of fines and forfeitures may be brought within the constitutional jurisdiction of the Governor, the following information is furnished: "An act to regulate the remission of fines and forfeitures." approved June 14, 1852 (1 G. & H. 347), provides "That all applicants to the Governor for the remission of fines and forfeitures, shall forward to him with their application, the opinion of the propriety of so doing of a majority of the following officers in the county where the fine was

assessed, or the forfeiture occurred, viz: the Clerk of the Circuit Court, Auditor, Sheriff, County Treasurer, and such officers as shall from time to time have the care and custody of the Common School Fund within the county."

The following form of opinion is recommended to be substantially followed.

To the Governor of Indiana:

We, the Clerk of the ———— Circuit Court, the Auditor, Sheriff and Treasurer of ———— county (*and the other officers who may join in the opinion*), are of the opinion that it would be proper (*or improper*), for you to remit a certain fine assessed (*or judgment taken*), against ———, in the ——— Circuit Court, on the —— day of ————, 18—, in a case wherein (*set out the substance of the judgment, and the nature and circumstances of the crime*), for the following reasons: (*setting them out*).

Where the application is made by sureties, satisfactory proof must be made by affidavits, or other evidence, that they have no indemnity or means of future indemnification.

It having been decided by the Supreme Court (9 Indiana, page 20), that the power of the Governor to remit fines and forfeitures is not absolute, and can only be exercised according to legislative direction, a strict compliance with the statute above recited will be required.

Dates, amounts and other means of identifying and describing the judgment complained of should be accurately and carefully given.

It should be shown that a judgment termed a "forfeiture," is a *final* judgment rendered upon a forfeited bond and not merely an entry of forfeiture. (See 2 G. & H., pages 396–400, especially sections 44, 48 and 50).
